## 10. Traffic Authority Business

There was no LTA report to be discussed, however, the board reviewed a previous request regarding line of sight and driveway exits onto Sodom Land and David Humphrey Road for the proposed development at that location. Deputy Chief Todd recommended that the board accept the original proposal which includes one exit onto David Humphrey Road only due to the fact that an exit onto Sodom does not comply with state line of sight regulations.

Commissioner DiSorbo motioned to accept the original proposal pending receipt of the speed data for David Humphrey Road. Commissioner Estwan seconded and the motion passed without further discussion.

## 11. Executive Session

No executive session was held. The meeting adjourned at 5:45 PM.
